a studded belt off scale becomes the frame for a different mirror

## bar stud stool

l'uso delle borchie sulla pelle degli sgabelli è un altro riferimento allo stile rock

a further reference to the rocker style involves the use of studs on the leather of the bar stud stools

## overdyed lounge chair

l'effetto "stracciato"  
sulla tintura del legno  
mette in risalto la forma  
vintage della sedia

the paint detail in  
these products is  
particularly  
important as it  
creates a special  
vintage effect.
